5 Hickory Road  
Stamford, Connecticut 06903

April 22, 2003

Dear Stamford Yale Community:

The Yale Club of Stamford is up, running and getting organized! But to be successful, we are going to need your support. The charge is being led by:

Ed DeVylder '67, President  
Amy Etherington '79, Vice President  
Frank Baker '66, Treasurer  
Catherine Spain '87, Secretary  
Chris Peck '96, Social Chair

In recent years, the local Yale population has grown to almost 500 alumni and supporters. By joining the Yale Club of Stamford, you will have the opportunity to reconnect with Yale and members of the Stamford Yale community. As a member of the Club, you can help interview and recruit local high school students as prospective Yalies, support a Yale student working at the Stamford Shelter For the Homeless as part of the Community Service Summer Fellowship Program, have some fun on tailgating trips to watch Yale beat Harvard at the Yale Bowl (maybe next year), or help us bring a Yale singing group to Stamford.

What you would like the Club to do? Let us know if you are interested in events such as annual dinners, scholarship awards, book awards, student mentoring, lectures, golf/tennis outing, or an AYA community service fellowships. In addition to activities that might appeal to the broader Stamford Yale community, we would also like to have programs aimed at particular constituencies such as informal social gatherings for recent graduates and current students, seasonal outings for Yale families with or without pre-college children, and programs for those desiring business development or networking opportunities. Attached is a survey form for you to fill out and express your views. Yalies are definitely not a shy group, just incredibly busy, so we hope you will take the time and send us your thoughts.

So please join us. The membership dues are only \$35, which will help us cover the expenses of mailings, setting up a web site and organizing events. Please send your dues checks payable to the Yale Club of Stamford and mail to:

In the meantime, please stay tuned. Our first event will be in the spring after the winter holidays.

Sincerely,

ED DEVYLDER  
President

AMY ETHERINGTON  
Vice President
